

Pecosa's Smokin Ace

02/10/2022 Date of Birth: Registration 1: Pending Breeder: Smokin Oaks **Smokin Oaks** Owner:

Patricia EOT has produced some nice calves and adding Delta Lucky really clicked on this female. DLA brings double gunman over her outcross pedigree and boom! Pecosa Ace has a nice frame, great temperament, and really pushing the TTT. We've had her mother for several and learned a good deal of what she can produce.
